Dear Mr. Chavez and Members of the Ben Avery Shooting Facility/Clay Target Center:

Congratulations! USA Shooting is pleased to designate your program as a Regional Training Center.

Your impressive coaching resources, outstanding facilities, and growing youth program will make this organization an important Center for the development of Olympic shooting. As we partner with you to attract and train talented and committed athletes, conduct matches, and promote the shootings sports in your area, we expect we'll both make quick progress toward our shared goals.

We very much appreciate your willingness to represent USA Shooting in these great endeavors, and we're looking forward to a long and productive relationship.

Sincerely,
